Curricula

Freshman: This class is for new players. Age range is 6-11 years.

Sophomore: Intermediate players with limited experience. Age range is 8-14 years.

Senior: These players are advanced in rules & etiquette with extensive experience. Age range is 9-18.

All classes are determined by a combination of age and skill level. GBGA staff evaluates, places and promotes all players.

☞ The George Bryan Golf Academy is the first golf academy for juniors in the midlands. It is the only learning institution to offer state of the art facilities, equipment and technology, such as the MEGSA Perfect Practice and V-1 Computer Video systems. A proven curriculum has been designed by a team of educators and golf experts.

☞ From current collegiate athletes, to professionals, and even the new players just getting started, there is a class, program or learning option available.

☞ Curriculums are complete, current, constantly updated and most importantly proven! George Bryan and his staff spend many weeks each year studying and training under and with the best educational golf and playing experts in the country to ensure all students are afforded every advantage.
